Re: Luis Gonzalez v. "John" Caballero and New England Motor Freight, Inc.  
Civil Action No.: 07-cv-4801 (DC)

Honorable Judge Chin:

As you are aware this office represents the Plaintiff in the above captioned matter. The defendants have moved for Judgment on the Pleadings and the original date for our opposition papers to be served is today, February 28, 2008. No previous requests for an extension of time have been made. The reason we are requesting a one week extension to file and serve our opposition papers is that the associate from our office working on our opposition papers is actually engaged on Trial before the Honorable Justice Carol Robinson Edmead in Supreme Court, New York County. I have spoken with defense counsels office and they have agreed to a one week extension of time for plaintiff's to file our opposition papers. However, the defendants have requested a one week extension of time to file and serve reply papers from March 10, 2008 to march 17, 2008.

Therefore, it is respectfully requested that this office be granted a one week extension thus allowing our opposition papers to defendants Motion for Judgment on the Pleadings to be served on or before March 6, 2008 and defendants reply to be served on or before march 17, 2008.
